

About Us

The audiologists at the Center for Hearing Health are highly certified and specially trained to provide the highest level of hearing care. Our certified audiologists are members of the American Speech/Language/Hearing Association (ASHA) and the American Academy of Audiology (AAA), and are licensed by New York State.

Our mission is to improve your quality of life through better hearing. We strive to find personalized solutions to match each patient's hearing needs, lifestyle and budget.

Audiology Mobile Van

We Come To YOU!

516.628.4300

The Center for Hearing Health is proud to provide audiological services through our state-of-the-art Audiology Mobile Van.

Our mobile unit is fully equipped with a large sound proof booth and one smaller booth to perform full audiological evaluations and hearing screenings for children and adults.

The van is also handicapped accessible, air conditioned and equipped with lavatory facilities. Some hearing aid checks and consults can also be performed.

The mission of the audiological van is to bring hearing care to individuals at centers, companies and organizations who are unable to access it in Nassau and Suffolk County and then extend the geographical range based on need.

Our Services

- Preschool Screenings
- OSHA Workplace Testing
- Assisted Living Facilities
- Diagnostic Testing
- Referrals
- Hearing Aid Fittings
- Hearing Aid Cleanings

Our Commitment

- To deliver high quality, professional hearing health care to communities that have difficulty accessing it.
- To serve those with hearing loss and provide them with quality evaluations, professional consulting, and, if necessary, hearing instruments and assistive listening devices.
- To enhance the quality of life for our clients through hearing loss prevention, evaluation and rehabilitation.

Most insurances accepted and discounts available!!
